About Junior L³

This is a comprehensive English course in which students will improve their grammar, vocabulary, reading, writing, listening, and speaking skills.

Classes are challenging and fun, with students working on a range of activities in a highly interactive classroom.

Former students have given the class excellent ratings for being a powerful learning experience and a lot of fun.

Junior L³ is an excellent opportunity for young students to gain a solid verbal foundation useful for:

- ISEE, SSAT, SCAT
- ACT, SAT,
- TOEFL, IELTS

Junior L³:
 14 classes, 42 hours

About L³ - Recommended to enhance test prep in ACT, SAT, Subject Tests, and TOEFL

L³ is the place for you to sharpen your skills in writing and critical reading in an intensive small-class environment. These classes are taught like college classes, with rigor, insight, and a sense of joy in the learning process. These classes make you a better student, a better writer, and a more competitive test taker.

L³ CORE & HONORS place middle school and high school students into class groups based on entry test scores. L³ Core and Honors use materials utilizing a wide range of genres and vocabulary-in-context (over 3,000 words presented each session), so this class is perfect for everyone. The writing assessments in this course are perfect practice for college admission essays, ACT/SAT® optional essays, AP® free response, and academic essays in high school and in college. Enhance your use of diction, essay writing skills, and improve comprehension during academic lectures (professors use our words too!), all the while sounding extraordinarily smart.
